

Celebrate with Books

Celebration Gift program

The Ottawa Public Library Foundation Celebrate with Books gift program offers you a unique way to acknowledge someone you love, a family member, colleague or friend.

Your contribution will enable the Library to purchase additional books that will provide hours of pleasure or important information for everyone who uses the Library.

A distinctive bookplate celebrating the person you have chosen to honour will be placed in the items purchased. The Library will send an acknowledgment of your gift, along with a sample of the commemorative bookplate, to the recipient. (The gift amount is never disclosed)

You will receive a receipt for your tax-deductible contribution of \$15 or more.

The option to direct your donation towards other important needs within the Library also exists. Your gift can be put towards adaptive technologies, branch enhancements, or literacy programs.

Please fill out the attached donation form indicating your wishes.
